She will get it to Corky and will mail the pens to queen Abby Maier to pass out at the flea markets.

OLD BUSINESS:

The start time of 7:00PM had been brought up and tabled at the February meeting. It was brought back up to be discussed. The youth are meeting at 7:00PM and the parents were hoping to get the adult meeting moved to the same time. It was noted that many of the parents just stay in the youth meeting anyway, and with several officers having a long drive it was decided to keep the adult meeting at 7:30PM.

Lisa Maag gave the queen report. She has a few interested candidates interested in trying out for the 2012 queen. Queen Abbey plans to be at the Findlay shows, the regional show, and some of the flea markets to help get the word out about our association. Lisa motioned to give the queen a \$100 gas card for her gas expense to go to the shows and flea markets. Olga second, motion passed. Abby has also gotten several donations.

We will again be giving out Binnie Bucks. Deb Herman passed out a list of last year's sponsors and several members agreed to contact various sponsors to see if they will sponsor again this year. The idea was brought up to try to do a bigger fundraiser for the association and any ideas are welcome.
